Purpose of Pae Tawhiti Rangitīkei Beyond

Pae Tawhiti Rangitīkei Beyond is a district-wide spatial strategy and plan. We aim to capture our community's aspirations for the future.

The plan will provide a blueprint of how we want our communities to develop. It will provide high level outcomes and actions that will guide Council projects that plan for and respond to growth and development - including our infrastructure planning and District Plan Changes (the rules that guide development).
