## Key Choice One (refer to pages 6, 7)

**Should Council provide rubbish and/or recycling collection in the urban areas of Ratana, Scotts Ferry, Koitiata, Bulls, Marton, Hunterville, Mangaweka and Taihape, which would be funded by targeted rate?**

**The options are:**

Option 1 – Yes I support Council's preferred option: the provision of a Council recycling service only, where all urban properties will be supplied with one 240 litre wheelie bin (for cardboard, plastic, cans) and one 45 litre crate (for glass bottles) collected fortnightly. Disposal of other rubbish will remain a resident's choice. This would mean a targeted rate of approximately \$106 per year per eligible ratepayer.

Option 2 – I support the provision of a rubbish and recycling service: all urban properties will be supplied with one wheelie bin for recycling (collected fortnightly) and one crate for glass (collected fortnightly), and a weekly rubbish collection service. This would mean a targeted rate of approximately \$165 per year per eligible ratepayer.

Option 3 – I don't support the provision of a rubbish or recycling collection and want the status quo to remain – meaning residents continue to make their own arrangements for kerbside rubbish collection and how they recycle.

## Key Choice Two - Economic Development

Increasing economic growth is important for improving the quality of life for residents in the Rangitikei. A provision of \$200,000 to do this has been included in the Long Term Plan. Council does not have a preferred option or group of options and wants to know what the community thinks would be most worthwhile, so please note your preference below - list all the options, outlined below, that you think have merit in priority order (highest to lowest). Please read the full detail of each option on page 8 of this document and tick the priority you prefer in the matrix below. Omit any option you think is not worthwhile.

- a. Promotion - To build the District’s reputation as a great place to live, work and visit.
- b. Expanding markets – To focus on business growth and prosperity.
- c. Facilitation - To facilitate and connect business development agencies with local businesses.
- d. Labour planning - To align businesses employment needs with education providers.
- e. Incentivising Growth - To attract residential development, new businesses & expand existing business.
